EXPERIENCE

KDR TV Production Cebu **Videographer/Video Editor** **2021 – 2023**

We handle diverse projects, including cooking shows, short films, and event documentation. In addition to filming, I play a crucial role in post-production, meticulously editing footage to craft polished and compelling final products.

Jacobo Multimedia **Videographer/Photo-Video Assistant** **2022 – 2023**

As a videographer and assistant, we specialize in corporate shoots, producing audio-visual outputs like Same Day Edits (SDE). My role extends to assisting other video and photographers, contributing to the seamless execution of events and projects.

UNTV-News and Rescue **Videographer/Video Editor** **2021 – 2023**

In addition to my diverse project roles, encompassing short films, event documentation, story documentaries, and charity documentaries, I am involved in live news reporting. In this aspect, my responsibilities include setting up live feeds, ensuring real-time video transmission for immediate and accurate coverage of unfolding events. Furthermore, I edit some projects in post-production, adding to my involvement across different genres.
